Cancellation Policy

I value our time together and understand that emergencies happen and life is busy.

When we schedule an appointment(s) I am setting aside time and am committing to see you for that time. If you are unable to commit to this time I will need 24 hours notice as it is imperative for my family and business to maintain my schedule.

Starting July 2018 all appointments cancelled without 24 hours notice will require half of the amount of treatments scheduled, this includes all services that I provide-

I am also requiring that services not be changed without 24 hours notice. (Example: If you schedule a 90-minute treatment, you will be required to pay for a 90-minute treatment)

Thank you,
Brooke
